#### BEREAVEMENT LEAVE

- 6.8.1 An employee who is scheduled to work more than twenty-four (24) hours during a week and who would otherwise have been at work, shall be allowed up to three (3) days of leave-of-absence with pay in the event of the death of his/her spouse, mother, father, mother-in-law, father-in-law, son, daughter, brother, sister, son-in-law, daughter-in-law, sister-in-law, brother-in-law, grandparent, grandchild, step-mother, step-father, stepson, step-daughter, step-grandparent, step-grandchild, ward, guardian, former ward or former guardian.

- 6.8.3 An employee who would otherwise have been at work shall be allowed one (1) day leave of absence without pay in the event of the death and to attend the funeral of his or her aunt, uncle, niece or nephew.
- 6.8.4 It is understood that a leave of absence under Articles 6.8.1 will be counted as 'attendance' for the purposes of Article 6.6.

#### TERMINATION OF EMPLOYMENT

- 6.9 Employment may be terminated by the Employer at any time with two (2) weeks notice, or pay in lieu thereof.

#### APPOINTMENT TO THE REGULAR SERVICE

- 6.10.1 Where an employee is appointed to the regular service and has worked more than twenty-four (24) hours per week on a continuous basis immediately prior to appointment to the regular service, the time he / she actually worked within the previous year may be considered to be part of his / her probationary period to a maximum of six (6) months.
- 6.10.2 Notwithstanding Sub-article 6.10.1, above, where an employee is appointed to the regular service as a regular part-time employee and has worked at least the minimum hours specified in Article 9 (Hours of Work) on a continuous basis immediately prior to appointment to the regular service, the time he / she actually worked within the previous year may be considered to be part of his / her probationary period to a maximum of six (6) months.
- 6.10.3 Association dues shall be deducted from an employee covered by this Article in accordance with Article 5 (Check Off of Association Dues).

## OTHER APPLICABLE ARTICLES

- 6.11 The following articles shall also apply to fixed term employees: Articles 1, 2, 3, 4, 5, 7.1, 7.3, 7.4, 8.11, 8.12, 9, 10, 11, 12, 13, 15, 16, 17, 19, 20, 22, 24, 26, 29, 39, 46, 47, 48, 49 Appendix F.

## CONVERSION

- 6.12.1 For contracts which commence after August 20, 2009, where the same work has been performed by an employee in the fixed term service for a period of at least eighteen (18) consecutive months, (except for situations where the fixed term employee is replacing a regular employee), and where the Ministry has determined that there is a continuing need for that work to be performed on a full-time basis, the Ministry shall establish a position within the regular service to perform that work.
- 6.12.2 For contracts which commence after August 20, 2009, where the Ministry has determined that it will convert a position in accordance with Article 6.12.1, the status of the incumbent in the position will be converted from fixed term to regular, provided that the incumbent has been in the position in question for at least eighteen (18) consecutive months.
- 6.12.3 For contracts which commence after August 20, 2009, where an employee in the fixed term service was temporarily assigned to a regular position for at least eighteen (18) months and:
- (i) the position has been filled through a competitive process, and
  - (ii) at that point in time, there is a continuing need for the work to be performed on a full-time basis for greater than an additional twelve (12) months, and
  - (iii) the position does not have a home incumbent, and
  - (iv) the position has cleared surplus,
- the Employer shall assign the employee to the position on a permanent basis.
- If at the end of eighteen (18) months an employee was not offered an assignment to the position on a permanent basis because of the conditions of 6.12.3(ii), but the position continues for 12 months, then the Employer shall assign the employee to the position on a permanent basis at the conclusion of this 12-month period subject to surplus clearance at that time.
- 6.12.4 For contracts commenced up until August 20, 2009, Article 6A.12.1 and 6A.12.2 of the predecessor Collective Agreement will apply.

## SENIORITY FOR THE PURPOSE OF FILLING VACANCIES OR NEW POSITIONS

- 6.13.1 Notwithstanding Article 15.1 (b), a fixed term employee shall be entitled to have his / her service counted towards the accumulation of seniority based

upon his / her most recent date of hire following any break in employment as defined by the Employment Standards Act, 2000, for the sole purpose of any determination made by the Employer under Article 7.3, if applicable.

- 6.13.2 No fixed term employee shall have his or her name added to the seniority list and Article 15.6 has no application.

## **ARTICLE 7 - POSTING AND FILLING OF VACANCIES OR NEW POSITIONS**

- 7.1 When a vacancy occurs in the regular service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Notices of vacancies shall be available electronically at the same time that they are advertised.
- 7.2 The notice of vacancy shall state, where applicable, the nature and title of the position, salary, qualifications required, and the area in which the position exists.
- 7.2.1 Where the Employer is willing to consider applicants at an underfill level, the Employer may assign the most qualified applicant for the position, in accordance with Article 7.3, at an underfill level, where there are no applicants who meet the advertised qualifications.
- 7.3 In filling a vacancy, the Employer shall give primary consideration to qualifications and ability to perform the required duties. Where qualifications and ability are relatively equal, seniority shall be the deciding factor.
- 7.4 a) An applicant who is invited to attend an interview within the regular service shall be granted time off with no loss of pay and with no loss of credits to attend the interview. Employees shall be reimbursed for travel expenses associated with attending the interview in accordance with the Employer's policy or practice.
- b) Upon request, each applicant from within the bargaining unit shall be provided with information on his / her own performance in the interview.
- 7.5.1 Relocation expenses shall be paid in accordance with the provisions of the Employer's relocation policy subject to Article 29.1.
- 7.5.2 Notwithstanding that a position is advertised with a restricted area of search, any employee who resides outside the identified area of search may apply for that position, and in that case notwithstanding Articles 7.4 and 7.5.1, that employee shall have no entitlement to any relocation or travel expenses as a condition of gaining access to the competition process.
- 7.6.1 The Employer agrees to post temporary assignments according to Articles 7.1 to 7.5 which:
- a) are six (6) months duration or greater, and

- b) the specific dates are established at least two (2) months in advance of the start date of the assignment.

7.6.2 Where an assignment was not posted pursuant to Article 7.6.1, and an employee has continuously been in the assignment, the assignment shall be posted within eighteen (18) months of the initial assignment, where the Employer determines that the work is continuing either on a temporary or permanent basis.

7.7.1 Vacancies may be filled without competition upon clearing surplus under the following circumstances:

- a) if within twelve (12) months from making a written offer in a previous competition for a similar position, as defined in Article 7.2, that becomes vacant. In such a case the Employer shall fill the position in accordance with Article 7.3 using the candidates who applied for the previous vacancy; or
- b) the employee was temporarily assigned to the position which had been filled through a competitive process and the employee had been acting in the position for at least twenty-four (24) months, in which case the Employer may assign the employee to the position on a permanent basis.
- c) In addition, any employee who is directly assigned under Article 14.4 (Redeployment) to a classification that is below the employee's own classification, and who then applies to a posting for a vacant position, provides his / her qualifications, and indicates his / her wish to trigger his / her entitlement under this clause, is entitled to be appointed to the vacant position which is one classification higher than that currently held, provided that he or she is qualified to perform the required duties.

If more than one employee triggering this provision is "qualified to perform the required duties", in respect of the same position, the employee with the greater seniority will be appointed to the position.

An employee who applies for a vacant position and is accepted, and then refuses the placement, has no further rights under this provision.

7.7.2 The following shall not be considered vacancies under Article 7.1, the clearance requirements under Article 14 shall not apply, and the incumbent shall retain the position:

- a) where an underfill is removed from a permanent full-time position, or
- b) where the duties of a position are modified to accommodate an incumbent employee with a disability, or
- c) where a full-time regular employee is assigned to a position pursuant to Articles 2.2, 8.7, 8.9 or 8.10.

- 7.8 a) Notwithstanding Article 7.1, the Employer may post potential opportunities for permanent positions or temporary assignments that may arise over the next 12-month time period. The posting shall state, where applicable, the nature and title of the position(s), salary, qualifications required, and the area in which the position(s) exist. The Employer will identify on the posting that it may be used to fill positions over the 12-month time period. The posting shall state that candidates must indicate their work location preference, if applicable, in their application. The posting period will be for at least fifteen (15) working days prior to the established closing date.

This closing date may be extended should the Employer determine that there is an insufficient number of potential qualified candidates. Upon agreement by the Employer, an employee may apply after the established closing date provided that the interview process has not yet commenced.

- b) The Employer will then establish an eligibility list of qualified candidates for each position based on the results of a competitive process. The parties agree that the development of eligibility lists will be in accordance with Article 7.3.
- c) The Employer shall advise successful candidates of their placement on the eligibility list and their individual rank upon completion of the competitive process.
- d) If the Employer decides to fill any positions that it has elected to post under this Article, the Employer may make job offers to qualified candidates from the eligibility list for each position in accordance with Article 7.7.1 (a). If the most qualified employee offered a position rejects the Employer's job offer, he or she shall remain eligible and retain his / her rank for further offers.

## **ARTICLE 8 - PAY ADMINISTRATION**

- 8.1 Promotion occurs when the incumbent of a full-time regular position is assigned to another position with a higher maximum salary than that of his / her former classification.
- 8.2 A full-time regular employee who is promoted shall receive a promotional increase of at least three percent (3%) and the resulting salary must be no less than the minimum of the salary range of the position to which he / she is assigned.
- 8.3 Where the duties of a full-time regular employee are changed as a result of reorganization or reassignment of duties and the position is reclassified to a classification with a lower maximum salary, a full-time regular employee who occupies the position when the reclassification is made is entitled to salary progression based on merit to the maximum salary of the higher classification,

including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

8.4 A full-time regular employee to whom the above section applies is entitled to be appointed to the first vacant position in his / her former classification that occurs in the same administrative district or unit, institution or other work area in the same Ministry in which he / she was employed at the time the reclassification was made provided such an employee is qualified to perform the duties of the vacant position in his / her former classification.

8.5 Where a position is reassessed and is reclassified to a classification with a lower maximum salary, any full-time regular employee who occupies the position at the time of the reclassification shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification, including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the reclassification takes place.

8.6 Where a position is reassessed and is reclassified to a classification with a higher maximum salary, a full-time regular employee who occupied the former position that is subject to reclassification shall be extended pay treatment in accordance with Article 8.2.

8.7 Where, because of the abolition of a position, a full-time regular employee is assigned:

- from one position in a Ministry to another position in the same Ministry, or
- from a position in one Ministry to a position in another Ministry,

and the position to which he / she is assigned is in a classification with a lower maximum salary than the maximum salary for the position from which he / she was assigned, he / she shall continue to be entitled to salary progression based on merit to the maximum salary of the higher classification, including any revision of the maximum salary of the higher classification that takes effect during the salary cycle in which the full-time regular employee starts the new assignment.

8.8 Article 8.7 applies only where there is no position the full-time regular employee is qualified for, and that he / she may be assigned to, and that is:

- a) in the same classification that applied to the full-time regular employee's position before the position was abolished, or
- b) in a classification having the same maximum salary rate as the maximum salary rate of the classification that applied to the full-time regular employee's position before the position was abolished.

8.9 Where, for reasons of health, a full-time regular employee is assigned to a position in a classification having a lower maximum salary, he / she shall not receive any salary progression or salary decrease for a period of six (6) months after his / her assignment, and if at the end of that period, he / she is unable to accept employment in his / her former classification, he / she shall be assigned to a classification consistent with his/her condition. The employee

shall retain his/her current salary provided it does not exceed the maximum of the new salary range, and the employee shall retain his / her current anniversary date. When the employee's current salary exceeds the maximum of the new salary range, he / she shall be paid the maximum of the new salary range.

- 8.10 Except as provided above, a full-time regular employee who is demoted shall be paid a salary within the range of the lower classification closest to the salary he / she was receiving at the time of the demotion provided it does not exceed the maximum of the new salary range.
- 8.11 Where an employee is assigned temporarily to perform the duties of a position in a classification with a higher salary maximum for a period in excess of five (5) consecutive working days, he / she shall be paid acting pay from the day he/she commenced to perform the duties of the higher classification. Such an employee shall receive an increase of not less than three percent (3%), however in no case shall the resulting rate of pay be less than the minimum of the higher classification.

- 14.2 **SURPLUS NOTICE ALERT**
  - 14.2.1 Where one or more positions in an administrative district or unit, institution or other such work unit will be declared surplus all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) working days prior to the issuance of any notice of layoff and which shall not be included in the notice period in Article 14.3. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

14.2.2 The Surplus Notice Alert will also:

- a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 14.2.3, if they plan to exit the OPS and not seek a targeted direct assignment under Article 14.4 or displacement under Article 14.5.

14.2.6 ELIGIBILITY FOR EMPLOYMENT INSURANCE

The parties agree that all employees who accept a pay-in-lieu option under Article 14.2.3 are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered "workforce reduction processes" under the Employment Insurance Act.

#### 14.2.7 EMPLOYEE PORTFOLIO

14.2.7.1 An Employee Portfolio will be deemed to include the qualifications and knowledge as identified in the employee's current position description for the purposes of Article 14.4 (Targeted Direct Assignment), 14.5 (Displacement) and 14.12 (Temporary Vacancies) unless otherwise modified by the employee.

- 14.3.4 Where the employee advises the Employer of the acceptance of the pay-in-lieu option under Sub-article 14.3.3 to ensure tax-effective treatment, the Employer will comply subject to requirements at law. The Employer shall endeavour to phase in lump sum and severance payment over two (2) calendar years, if the employee so requests and if legislation permits.
- 14.3.5 Where an employee accepts pay in lieu of notice pursuant to this Article, any further entitlements under this Agreement are forfeited save and except any rights under Article 45 (Termination Payments) and / or Section 5 of Appendix A. 14.8.9 Notwithstanding anything in any other provision of Article 14 (Employment Stability), the rights specified in Article 14.8 (Voluntary Exit Option) shall be exercised before any displacement or redeployment rights.

14.8.10 A person who has offered to be declared surplus pursuant to Article 14.8 will, if otherwise qualified, be entitled to the provisions of Paragraph 5 of Appendix A (Employment Stability). If more than one surplus employee is deemed qualified for the targeted direct assignment to a single volunteer's position, the most senior surplus employee will take over the volunteer's job.

#### 14.9 CAREER TRANSITION SUPPORT

14.9.1 Surplus employees who do not take pay in lieu under Article 14.3, or who do not displace under Article 14.5 will be provided with transition support which shall include skills assessment, counselling and job search skills.

14.9.2 Time spent by the surplus employee in activities outlined in this Sub-article shall be with pay and no loss of credits.

#### 14.10 PROBATIONARY EMPLOYEES

14.10.1 The Employer will extend to probationary employees the benefit of the job security provisions found in this Article, as follows:

- a) The probationary employee's "seniority" shall be calculated from the first day of his / her probationary period, including any service which is credited to the employee pursuant to Article 6.10.
- b) For the purposes of the application of Article 14.3, Article 14.4, Article 14.7 and Article 14.8 to probationary employees, the probationary employee's "continuous service" and "period of employment" shall be deemed to have commenced with his / her most recent actual period of employment.

- c) The provisions of Article 14.5 (Displacement) of this Article shall not be applied to probationary employees nor shall they have the benefit of any rights arising pursuant to those sections.

14.10.2 Nothing in this Article shall be deemed to be a recognition of "seniority" or "continuous service" in probationary employees as those terms appear in Article 15 (Seniority).

#### 14.11 REDEPLOYMENT COMMITTEE

14.11.1 Matters arising out of redeployment activities shall be referred to the PEGO Central Employee Relations Committee ("PCERC").

14.11.2 Under this Article, the PCERC will consider employment transition issues, redeployment practices and the review of any disputes arising out of such activities.

#### 14.12 TEMPORARY VACANCIES

14.12.1 Surplus employees shall be eligible for assignment into temporary assignments in their own Ministry that are posted for recruitment in accordance with Article 7 in the last two (2) months of their notice provided that:

- (a) The employee applies for and indicates on his or her application for the vacancy that they have received notice of layoff and are eligible for a temporary assignment; and

- (b) He or she is qualified for the position.

Such assignments are meant to provide additional employment opportunities for surplus employees prior to lay-off. Where more than one surplus employee matches the temporary assignment, the employee with greater seniority shall be offered the temporary assignment. It is understood that such assignment of a surplus employee to a temporary vacancy has priority over Article 8.11 (Temporary Assignments).

14.12.2 A surplus employee shall retain his / her status in the regular service and current salary entitlements while placed in a temporary assignment. Placement in a temporary assignment will not constitute a promotion for pay purposes. Subject to Sub-article 14.12.1, for placement into temporary assignments, the Employer shall use the same criteria and rules as for assignment into vacancies under Article 14.4 (Targeted Direct Assignment).

14.12.3 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment. The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.

14.12.4 The original temporary assignment may be extended by a maximum of three (3) months.

14.12.5 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already underway. Surplus employees who refuse a temporary assignment shall continue to be considered for assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.

14.12.6 Where an employee accepts a temporary assignment or secondment under Article 14.12, it shall be considered to be a hiatus in their notice period under Article 14.3.8 for the duration of their temporary assignment and all redeployment activities shall cease. Notwithstanding the hiatus, the employee may continue to identify and be considered for vacancies under Article 14.4.1. At the end of the temporary assignment or secondment, the balance of the notice period, as well as all redeployment activities, shall resume.

#### 14.13 MONITORING AND REPORTING

14.13.1 There shall be central monitoring and reporting of vacancies with respect to the job registry and targeted direct assignment processes in accordance with Article 14.14 (Job Registry System).

14.13.2 The Employer agrees to share job registry and redeployment data with the PCERC.

14.13.3 The PCERC may establish standards and norms governing the review of qualifications and assessment of surplus employees.

#### 14.14 JOB REGISTRY SYSTEM

14.14.1 The parties agree that an OPS-wide job registry system shall be developed by the Employer and shared with the PCERC to track all funded regular vacancies as approved to be filled by the Employer. Such vacancies shall be reported by Ministries to the Employer for inclusion in the registry. Names of surplus employees shall be reported by Ministries to the Employer and the Association once an employee is given written notice of lay-off. Monitoring of the job registry and redeployment results will be reported to Management Board of Cabinet and to the PCERC by the Employer on a quarterly basis.

#### 14.15 ATTRITION

14.15.1 It is understood that attrition can be used effectively as a redeployment strategy. The Employer agrees that, wherever possible, it will utilize attrition as a means of reducing the workforce.

#### 14.16 VOLUNTARY LEAVES

14.16.1 In the spirit of cooperative attempts to create training and employment opportunities, the parties agree that full-time unpaid leaves will be advertised widely to employees and granted subject to local operating requirements.

14.17 GENERAL

14.17.1 It is understood that when it is necessary to assign a surplus employee to a vacant position in accordance with Article 14.4 (Targeted Direct Assignment) or temporary position in accordance with Article 14.12 (Temporary Assignment) or recall a laid-off employee in accordance with Article 14.7 (Recall), the provisions of Article 7 (Posting and Filling of Vacancies or New Positions) shall not apply.

14.17.2 For purposes of Article 14 (Employment Stability), "lay-off" means the same as release from employment per Section 39 of the Public Service of Ontario Act, 2006, as amended.

14.18 TREATMENT OF SURPLUS NOTICES FOR EMPLOYEES ON LEAVES OF ABSENCE AND TEMPORARY ASSIGNMENTS

14.18.1 Where the employee's position is declared surplus while the employee is away on a sick leave (STSP, LTIP or WSIB), the Ministry shall notify the employee that his / her position has been declared surplus and that, when the employee returns to work, the surplus notice shall be issued.

14.18.2 Where the employee's position is declared surplus while the employee is away on a leave of absence, the Ministry shall notify the employee that his / her position has been declared surplus and inform the employee of the option to:

- a) return early from the leave of absence and receive the surplus notice at that time; or
- b) return at the end of the leave and receive the surplus notice at that time.

14.18.3 Where the employee's position is declared surplus while the employee is on a temporary assignment or secondment within the OPS, the home Ministry has the option of:

- a) returning the employee to his / her home position and issuing the surplus notice at that time; or
- b) giving the employee the surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy, the temporary assignment ends, or the notice period expires, whichever occurs first.

14.19 TREATMENT OF SURPLUS NOTICE ISSUED BEFORE AN EMPLOYEE GOES ON A LEAVE OF ABSENCE OR A TEMPORARY ASSIGNMENT

14.19.1 Where the employee's position is declared surplus before a LTIP or WSIB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

- 14.19.2 Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month. Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if after one (1) month on STSP, the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus until the employee is able to return to work.

If the employee bumps or is directly assigned to a new position before going on STSP / LTIP / WSIB the accepting Ministry must honour the leave of absence.

- 14.19.3 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:
- a) accept a hiatus in the surplus notice period during the leave of absence;  
or
  - b) return early from the leave of absence.

When the employee returns from the leave of absence the balance of the notice period shall continue.

If the employee bumps or is directly assigned to a new position before going on the leave of absence, the accepting Ministry must honour the leave of absence.

- 14.19.4 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus during the temporary assignment and all redeployment activities cease. Notwithstanding the hiatus, the employee may continue to identify and be considered for vacancies under Article 14.4.1. This provision only applies where the temporary assignment or secondment is for more than six (6) months and is filled competitively.

At the end of the temporary assignment or secondment, the balance of the notice period shall resume. The employee shall return to his / her home position if it still exists or to a comparable position within the ministry / OPS. The employee shall remain eligible for direct assignment to temporary assignments in accordance with Article 14.12.

## **ARTICLE 15 - SENIORITY**

- 15.1 An employee's length of continuous service will accumulate upon completion of a probationary period of not more than nine (9) months and shall commence:

- a) from the date of appointment to the regular service for those employees with no prior service in the Ontario Public Service; or
- b) from the date established by adding the actual number of full-time weeks worked by a full-time fixed term employee during his / her full-time employment back to the first break in employment as defined by the Employment Standards Act, 2000; or
- c) for a regular part-time employee in the regular service, from January 1, 1984 or from the date on which he / she commenced a period of unbroken, part-time employment in the public service, immediately prior to the appointment to a regular part-time position in the regular service, whichever is later.

An employee's probationary period may be extended up to a total of twelve (12) months by mutual agreement between the employee, the Association and the Employer.

"Unbroken service" is that which is not interrupted by separation from the public service; "full-time" is continuous employment as set out in the hours of work schedules for the appropriate classifications; and "part-time" is continuous employment in accordance with the hours of work specified in Article 9 (Hours of Work).

15.1.1 An employee's seniority / continuous service shall accumulate from the date determined in Article 15.1 and shall include the period of service during which an employee:

- a) is in receipt of LTIP or WSIB benefits; or
- b) is absent on pregnancy or parental leave; or
- c) is absent on any authorized leave with or without pay.

15.1.2 For purposes of application of this Article, any break in service of less than thirteen (13) weeks shall neither constitute a break in service nor be counted towards seniority.

15.2 Notwithstanding Article 15.1 above, where a regular part-time employee becomes a full-time regular employee covered by Parts A (Working Conditions) and B (Employee Benefits) of the Agreement, any service as a regular part-time employee which forms part of his / her unbroken service in the regular service shall be calculated according to the following formula:

$$\frac{\text{Weekly Hours of Work as a Regular Part-time Employee in the Regular Service}}{\text{Full-time hours of work for class (weekly)}} \times \text{Years of Continuous Service as a Regular Part-Time Employee in the Regular Service}$$

Changes in the employee's weekly hours of work shall be taken into account.

- 15.3 Where an employee has been released in accordance with Article 14 (Employment Stability) and rehired within two (2) years, the period of absence shall not be computed in determining the length of continuous service. However, periods of continuous service before and after such absence shall be considered continuous and are included in determining the length of continuous service.
- 15.4 An employee who offers to be declared surplus under Article 14.8 (Voluntary Exit Option) and who leaves the employ of the Employer as a result, shall, if rehired within a two (2) year period, receive credit for past continuous service, but not seniority for the period of their past employment.
- 15.5 Seniority / continuous service shall be deemed to have terminated if:
- a) an employee resigns or retires; or
  - b) an employee is dismissed unless such dismissal is reversed through the grievance procedure; or
  - c) an employee is absent without leave in excess of ten (10) consecutive working days; or
  - d) an employee is released in accordance with Article 14 (Employment Stability) and remains released for more than two (2) years.
- 15.6 The Employer will provide the Association with the updated seniority list run at the end of December 1998 and every six (6) months thereafter.

## **ARTICLE 16 - GRIEVANCE PROCEDURE**

- 16.1 It is the intent of this Agreement to adjust as quickly as possible any complaints or differences between the parties arising from the interpretation, application, administration or alleged contravention of this Agreement, including any question as to whether a matter is arbitrable.
- 16.1.1 The Employer shall not take any reprisals against an employee for initiating or pursuing a dispute pursuant to this Article.
- 16.2.1 If an employee has a complaint, the employee shall meet, where practical, and discuss it with the employee's immediate supervisor in order to give the immediate supervisor an opportunity of adjusting the complaint.

### **FORMAL RESOLUTION STAGE**

- 16.3.1 If the complaint or difference is not resolved at the local level an employee may submit the grievance, in writing, through the Association, with their manager within thirty (30) days after the circumstances giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of

the employee, who will in turn forward the grievance to the designated management representative.

- 16.3.2 It is agreed that the Formal Resolution Stage designated management representative will have the authority to work towards resolving the dispute and that, other than in exceptional circumstances, no manager who has directly dealt with a dispute at the local level will be designated at the Formal Resolution Stage.
- 16.4.1 The designated management representative shall hold a meeting with the Association and the employee within fifteen (15) days of the receipt of the grievance and shall give the Association and the grievor their decision in writing within seven (7) days of the meeting.
- 16.4.2 The employee, at his / her option, may be accompanied and represented by an employee representative at the Formal Resolution Stage of the grievance procedure. At the time formal discipline is imposed, or where the Employer meets with employees to investigate matters which may result in disciplinary action to a specific employee, then that specific employee is entitled to be represented by an employee representative, and the Employer shall notify the employee of this right in advance.
- 16.4.3 An employee who is a grievor or complainant and who makes application, through the Association, for a hearing before the Grievance Settlement Board or the Ontario Labour Relations Board shall be allowed leave-of-absence with no loss of pay and with no loss of credits, if required to be in attendance by the Board or Tribunal. This Article shall also apply to pre-hearings, mediation / arbitration or mediation under auspices of the Grievance Settlement Board or Ontario Labour Relations Board.
- 16.4.4 An employee who has a grievance and is required to attend a meeting at the Formal Resolution Stage of the grievance procedure shall be given time off with no loss of pay and with no loss of credits to attend such a meeting.

- 16.5 The Association shall advise the Directors of Strategic Business Units with copies to the Director, Centre for Employee Relations, Ministry of Government Services (MGS), of the Association Representatives together with the areas they are authorized to represent, which list shall be updated at least every six (6) months.

## LAYOFF

- 16.6 Where the Association on behalf of an employee files a grievance claiming improper layoff and the grievance is referred to the Grievance Settlement Board in accordance with Sub-article 16.4.2, the Association shall notify the Employer, in writing, at least three (3) weeks prior to the date established for the Board's hearing, of the title and location of the position, or positions, which will be the subject matter of the claim before the Board.

- 16.8.3 Where, at any time either before the making of a complaint or the filing of a grievance under this Article, the Employer establishes an investigation of the complaint, or the employee agrees to the establishment of such an investigation, pursuant to any staff relations policy or other procedure of the Employer, the time limits for the processing of the complaint or grievance under this Article shall be suspended until the employee is given notice in writing of the results of the investigation.
- 16.8.4 Where a complaint under this Article is made against an employee's supervisor, or any person with supervisory responsibilities at a higher level over the employee, any oral complaint or written grievance which is expressed in this Article to be presented to the supervisor may be presented directly to the Director, Strategic Business Unit or his or her designee, or any person appointed by the Director, Strategic Business Unit specifically to deal with complaints or grievances under this provision. It is agreed that the designee assigned will not be a person who is the subject of the complaint giving rise to the grievance.

- 16.8.5 Where it appears to the Grievance Settlement Board that an employee who is a grievor under this Article has made a complaint under the Ontario Human Rights Code relating to the conduct which is the subject of the grievance, the Grievance Settlement Board may, as it sees fit, adjourn the grievance, stay the grievance, or dismiss the grievance.
- 16.8.6 An employee who makes a complaint under this Article may be accompanied and represented by an employee representative at the time of the discussion of the complaint, at each stage of the grievance procedure, and in the course of any investigation established by the Employer under any staff relations policy.

#### GROUP GRIEVANCE

- 16.9 In the event that more than one employee is directly affected by one specific incident or circumstance and such employees would be entitled to grieve, a group grievance shall be presented in writing by the Association, signed by such employees, to the Director, Centre for Employee Relations at the Formal Resolution Stage, within the time limits as specified in this Article. Up to three (3) grievors of the group shall be entitled to be present at all stages unless otherwise mutually agreed.

#### GENERAL

- 16.13.1 Where a grievance is not processed within the time allowed or has not been processed by the employee or the Association within the time period prescribed it shall be deemed to have been withdrawn.
- 16.13.2 In this Article, days shall include all days exclusive of Saturdays, Sundays and designated holidays.
- 16.13.3 The time limits in this Article may be extended by agreement of the parties in writing.
- 16.13.4.1 The parties agree that principles of full disclosure of issues in dispute as alleged by a grievance advanced by the Association on behalf of a member or

members, or the Association itself, and full disclosure of facts relied upon by management in a decision that is subject to a grievance are key elements in amicable and expeditious dispute resolution processes.

16.13.4.2 The parties agree that at the earliest stage of the grievance procedure, either party upon request is entitled to receive from the other, full disclosure.

16.14 The Grievance Settlement Board shall have no jurisdiction to alter, change, amend or enlarge any provision of the Collective Agreement.

#### EXPEDITED ARBITRATION

16.15.1 Notwithstanding the provisions of this Article and the Crown Employees Collective Bargaining Act ("CECBA"), regarding the arbitration procedure, the parties agree to the following process for expediting the hearing and decisions of certain grievances referred to arbitration. It is also agreed that the full arbitration procedure and rights outlined in CECBA will apply, subject to the following.

16.15.2 Any grievance, including outstanding grievances where a hearing has not commenced, may be referred to an expedited hearing, upon thirty (30) days notice to the other party.

16.15.3 On the request of either party as defined in Sub-article 16.15.2, the Grievance Settlement Board shall appoint a settlement officer to endeavour to effect a settlement before the arbitrator or board of arbitration appointed under this Article begins to hear the matter in dispute. However, no such appointment of a settlement officer shall be made if the other party objects.

16.15.4 The arbitrator or board of arbitration, as the case may be, shall commence the hearing in accordance with the pre-arranged schedule the parties (as represented by the Association and the Employer) develop to support the implementation of this Article.

16.15.5 The parties (as represented by the Association and the Employer) shall advise the Grievance Settlement Board of the names of arbitrators acceptable to both parties for purposes of conducting expedited hearings under this Article. Such list shall come from the roster of Order-in-Council appointees in use at the Grievance Settlement Board.

#### MEDIATION/ARBITRATION PROCESS

16.16.1 Notwithstanding the grievance procedure in this Collective Agreement, the parties to the Collective Agreement may, at any time, agree to refer one or more grievances under the Collective Agreement to a single mediator-arbitrator for the purpose of resolving the grievances in an expeditious and informal manner.

16.16.2 The parties shall not refer a grievance to a mediator-arbitrator unless they have agreed upon the nature of any issues in dispute.

- 16.16.3 A mediator-arbitrator appointed under the above Article shall begin proceedings within forty-five (45) days of referral to mediation-arbitration, unless a later date is agreed to by the parties.
- 16.16.4 The mediator-arbitrator may adopt such procedures as are necessary to allow an expeditious resolution of the issue(s) in dispute. Decisions by a mediator-arbitrator may be made in such a manner as the mediator-arbitrator chooses, however, a written decision shall be made at request of either party.
- 16.16.5 In every such case the arbitrator shall issue a brief written decision no later than twenty (20) days from the date of the hearing.
- 16.17 JOINT REVIEW PROCESS (JRP)
- 16.17.1 The parties agree that any dispute arising out of Sub-article 16.13.4.1 shall be referred to the Joint Review Process (JRP). Should the matter not be resolved at that level, it shall proceed within fifteen (15) days to an available mediator-arbitrator drawn from a list of agreed upon mediator-arbitrators. The parties agree that the standard to be used by the mediator-arbitrator shall be arguable relevance. The burden of proof in this Article will rest with the party asserting the need for the information. Any such hearing on issues referred to a mediator-arbitrator under this Article, shall be limited to hearings of no more than one (1) day.
- 16.17.2 The Joint Review Process (JRP) is an integral part of the dispute resolution mechanism. The parties agree to meet in such process for the following reasons:
- review of such cases as the parties choose prior to submission to arbitration
  - consolidation of cases, where applicable, with agreement in advance as to application of an award on similar issues, subject to the right of the parties to seek judicial review of any award
  - review Arbitration Awards as deemed necessary to determine application
  - any other mutually acceptable reason.

- 17A.1 No employee shall be disciplined or discharged without just cause. It is understood that disciplinary measures will be subject to the principles of progressive discipline.
- 17A.2.1 The Employer's right to discipline or dismiss is subject to the right of an employee to grieve such action.

17A.2.2 For greater certainty, it is understood that nothing in Sub-article 17A.2.1 confers on a probationary employee any right to grieve or arbitrate his / her dismissal.

17A.3 Any letter of counsel, letter of reprimand, suspension or other sanction will be removed from the record / files of an employee three (3) years following the receipt of such a letter, suspension or other sanction provided that the employee's record / files have been clear of similar offences for the past three (3) years, unless the parties agree to an earlier date to remove such letter, suspension or other sanction. Any such letter of counsel, letter of reprimand, suspension or other sanction so removed cannot be used in any subsequent proceedings. Nothing in this paragraph prevents earlier removal by the employee's manager.

## **ARTICLE 17B - PERSONNEL FILES AND RECORDS**

17B.1 There shall be only one officially recognized personnel file, which shall contain personnel information including, but not limited to, initial appointment documents, performance appraisals, commendations and disciplinary records.

17B.3 Upon receipt of a written request, the Employer shall give an employee the opportunity to review his or her personnel file, in the presence of a management representative, at a time mutually agreed upon between the employee and the manager, at the employee's normal work location or another location as may be mutually agreed upon between the employee and the manager.

the employee shall have the right to be accompanied by and represented by an Association representative.

The Employer shall notify the employee of this right and advise the employee and the Association of the time and place of the meeting. If no Association representative is reasonably available to meet at the time established, the Employer may set a meeting within the next three (3) days as defined in Article 16.13.2, taking into consideration, to the extent possible, the Association's availability.

### **ARTICLE 18A - JOB SHARING**

- 18A.1 Job sharing can occur where there is agreement between the employees who wish to job share, the Association, and the Employer.
- 18A.2 It is agreed that job sharing results from two employees sharing a full-time regular position and as such the position shall continue to be identified as a full-time regular position.
- 18A.3 Employees in a job sharing arrangement must share the same classification.
- 18A.4 The sharing of the hours of work shall be determined by the parties to the sharing agreement but in no case shall one employee work less than fourteen (14) hours per week.
- 18A.5 Where applicable, employees in a job sharing arrangement shall have their benefits prorated in accordance with the hours of work.

## **PART C – APPENDICES**

### **APPENDIX A: EMPLOYMENT STABILITY**

The Government of Ontario is aware that its restructuring initiatives over the term of the agreement could have a significant effect on employees, some of whom have served for a lengthy period. Accordingly, the Employer undertakes the following:

#### **1. Sale of Business**

The parties agree that if the Employer determines that there is a “sale of business” as defined in the Labour Relations Act, 1995, section 69, this determination will trigger the application of this Section.

1.1 Where there is a sale of business, it is agreed that:

- a) The Reasonable Efforts provisions in Section 2 of this Appendix will not apply;
- b) The obligations of the Employer to Ontario Public Service employees who are affected by the sale shall be modified as set out in Section 1 of this Appendix.
- c) Where the Employer determines that a transaction is a sale of business, it shall indicate this in the request for proposal or the transfer agreement, whichever is applicable, and provide a copy of such document to the Association.

#### **Obligations of the Employer to Employees Affected by the Sale**

1.2 Where a transaction is a sale of business, the parties agree that the Employer shall have the following obligations to PEGO bargaining unit employees affected by the sale:

- a) The employment of employees who are transferred to the successor employer is not terminated or severed and the service and seniority of such employees shall be carried over to the successor employer. The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement.
- c) Affected employees who do not receive a job offer from the successor employer will be surplus as a result of the sale subject to the terms of the Collective Agreement.
- d) Affected employees who refuse an equivalent job offer with the successor employer will be eligible for termination pay under Article 45 of the Collective Agreement. If the affected employee accepts employment with the successor employer within (12) months of the date of transfer of

employees, he or she will repay to the Crown any and all payments received.

- e) The Employer will provide advance notice as per the provisions of the Collective Agreement of the date of the sale to affected employees and the Association.

It is further agreed that individual entitlements and obligations that crystallized during employment with the Crown are not derogated by this Section.

## **Pensions**

- 1.3 The parties have entered into agreement with respect to issues relating to pensions as set out in the Letter of Understanding Regarding Pensions.

## **Dispute Resolution**

- 1.4 Nothing in this Section (Sale of Business) limits any rights that the Association may have to make application to the Ontario Labour Relations Board.

## **2. Reasonable Efforts**

Where there is a disposition by the Crown of bargaining unit functions or jobs pursuant to this Collective Agreement and the disposition does not constitute a sale of business, the following provisions shall apply:

- 2.1 The Employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sector, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority.
- 2.2 When an employee has been transferred to a new employer he / she will be deemed to have resigned and no other provisions of the Collective Agreement will apply except for Article 45 (Termination Payments).
- 2.3 The employee must elect whether or not to accept employment with the new Employer within five (5) working days of receiving an offer. In default of election, the employee shall be deemed to have accepted the offer.
- 2.4 Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.

2.5 The obligations of the employer concerning reasonable efforts and employee bidding set out in Sections 2.1 through 2.4 of this Appendix shall be deemed to have been satisfied provided that:

- a)
  - (i) In respect of the transfers of bargaining unit jobs or functions where there is a disposition by way of a Request for Proposal or tender process, the Employer shall include in all the Requests for Proposal (RFP) or tenders, relating to those transfers a mandatory requirement that proponents must commit in their proposals to make job offers to all of the regular PEGO represented employees who will be declared surplus as a result of the disposition or transfer of their jobs under the RFP or tender. Such job offers shall be at a salary of at least eighty-five percent (85%) of the respective employee's salary at the time of the RFP or tender and recognize the service in the Ontario Public Service of each employee for the purposes of qualification for vacation, benefits entitlements and other terms of employment except for pension to the extent that they are provided in the proponent's workplace. Job offers shall not include any probationary period. Proposals that do not satisfy the above mandatory requirement will be disqualified. Upon the inclusion of the foresaid terms in an RFP or tender, the Employer will be deemed to have satisfied all the requirements of this Appendix in relation to the transfer of bargaining unit jobs or functions under the RFP or tender.
  - (ii) The Employer shall determine the PEGO represented employees whose work will be directly transferred by the RFP or tender prior to the release of an RFP or tender and this determination shall be final for purposes of the requirement to require job offers in Sub-section 2.5(a)(i).
- b) In respect of the disposition or transfer of bargaining unit jobs or functions where there is not a disposition by way of a Request for Proposal or tender process, the Employer's obligations under this Appendix will be satisfied by the Employer offering the prospective new employer an incentive, equal to the amount that would be payable as enhanced severance pay to a regular employee in order to either secure or improve a job offer for that employee.
- c) Regular employees declared surplus as a result of the disposition or transfer of bargaining unit jobs or functions to the private or broader public sector will have the right to turn down any job offer under this Appendix and exercise their rights prescribed by Sections 3 to 5 of this Appendix and Article 14, excluding Article 14.5 of the Collective Agreement.
- d) The employer shall include in the RFP or tender the statement that employees may bid on the same basis as others. The forgoing will be deemed to satisfy all the Employer's obligations in respect of employee bidding under this Appendix.

### **3. Pension Bridging**

- 3.1 a) Employees who have been declared surplus may continue to accrue pension credits for the period represented by their Article 45 termination payment subject to the appropriate contributions by the Employer and the employee. This paragraph will not apply to employees described in Section 2.5 of this Appendix who are transferred to a new Employer; or
- b) In the alternative, employees who have been declared surplus may take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:
- (i) the six (6) month notice period;
  - (ii) the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the current provisions of Article 45 (Termination Payments) (excluding attendance credits); plus
  - (iii) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits

would bring the employee to the next earliest date on which he / she could exercise an actuarially unreduced pension option under the Public Service Pension Plan.

For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

- A1. determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of his / her actuarially unreduced pension options and, from that amount, subtract:
  - 1. the employee's six (6) month notice period; and
  - 2. the number of weeks of paid leave of absence that the employee's termination payments can be converted into under the existing provisions of Article 45 (Termination Payments) (excluding attendance credits).
- B1. the remainder to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits.

During the leave without pay, employees may choose to purchase all benefits coverage with the exception of STSP and LTIP.

The leaves of absence shall commence before the conclusion of the employee's six (6) month notice period and shall be taken as follows:

- A2. the unpaid leave of absence, the maximum of which is determined in accordance with (B1) above, shall be taken first. During this leave of absence, in lieu of the employee's pension contributions being made directly from the employee, the employee's right to enhanced severance under Section 5 of this Appendix shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and Employer contributions shall also be paid into the pension plan;
- B2. the leave of absence with pay equal to the employee's number of weeks of Article 45 (Termination Payments) shall be taken after the leave without pay in (A2) above. During this leave of absence the employee's pension contributions shall be deducted from the employee's biweekly payments;
- C2. at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six month notice period remains. For greater certainty, the requirement to return may be satisfied by the use of vacation credits. At the end of this period, the employee:
  - 1. shall retire;
  - 2. shall receive the enhanced severance, reduced by an amount equivalent to his / her pension contributions for the unpaid leave of absence; and
  - 3. shall be entitled to exercise his/her right to an actuarially unreduced pension.

This paragraph will not apply to employees described in Section 2.5 of this Appendix who are transferred to a new employer.

Surplus employees who choose any of these pension bridging options in Section 3 of this Appendix shall waive all rights to displacement, redeployment, pay-in-lieu and recall.

#### **4. Surplus Factor 80 Program**

- 4.1 An employee who has reached Factor 80 on or before May 31, 1997, and did not retire within his / her Factor 80 window, shall, if declared surplus, be eligible to requalify under the Factor 80 program, provided he / she so elects in writing within thirty (30) days of receipt of notice of layoff, and where he / she so elects, the employee shall retire within the thirty (30) day period and all other rights under this agreement are forfeited, save and except Article 45 (Termination Payments). For the sake of clarity, it is agreed that an employee who is given an offer to accept employment with a new employer pursuant Section 2.5 of this Appendix, who is otherwise eligible to requalify under the Factor 80 Program, shall be considered eligible to requalify as prescribed herein.

4.2 The Employer agrees to extend Factor 80 for employees declared surplus up until March 31, 2006.

**5. Enhanced Severance**

5.1 Employees who are laid off or who have resigned and received their pay in lieu of notice pursuant to Article 14.3 (Notice and Pay in Lieu) will receive, in addition to their Article 45 (Termination Payments), a further severance package of one (1) week's salary for every completed year of continuous service. This paragraph will not apply to employees who are eligible to retire and receive an actuarially unreduced pension or, as a result of the application of Sub-section 3.1(a) of this Appendix will become eligible to receive an actuarially unreduced pension. This paragraph will not apply to employees described in Section 2.5 of this Appendix who are transferred to a new employer.

Appendix A forms part of the Collective Agreement, and is in effect for so long as the terms and conditions of the Collective Agreement are in effect.

- 1.8 Each day or part thereof by which a leave of absence with pay taken by an employee under Section 1.5 exceeds his / her accumulated compensation option credits after making any deduction required by Section 1.4 shall be deducted from his / her vacation credits, and the employee shall repay to the Employer the salary paid to him / her for any day or part thereof of the leave of absence with pay that cannot be so deducted.
- 1.9 Any amount to be repaid under Section 1.8 may be deducted from any payment the employee is entitled to receive from the employer in respect of salary or termination of employment or otherwise.
- 1.10 An employee is not entitled to be paid for any accumulated compensation option credits to which the employee remains entitled when the employee ceases to be an employee.

## APPENDIX J: TRANSITION EXIT INITIATIVE

### TRANSITION EXIT INITIATIVE

#### MEMORANDUM OF AGREEMENT

Between

PROFESSIONAL ENGINEERS GOVERNMENT OF ONTARIO (PEGO)  
("the Union")

and

THE CROWN IN RIGHT OF ONTARIO as represented by the  
TREASURY BOARD SECRETARIAT  
("the Employer")

The parties have agreed to work collaboratively to support the transformation of the Ontario Public Service while minimizing the impact to employees. Accordingly, the parties have agreed to establish a Transition Exit Initiative (TEI) as follows:

1. All regular and regular part-time employees will be eligible to apply to a Transition Exit Initiative (TEI).
2. An employee may request in writing voluntary exit from employment with the OPS under the TEI, which request may be approved by the Employer in its sole discretion. The employee's request will be submitted to the Corporate Employer. The Employer's approval shall be based on the following considerations:
  - i. At the time that an employee TEI request is being considered, the Employer has plans to reduce positions in the PEGO bargaining unit; and
  - ii. The Employer has determined in its discretion that the employee's exit from employment supports the transformation of the Ontario Public Service.
  - iii. The Employer will consider whether employees are on the TEI list when making surplus decisions.

The Employer shall provide written confirmation of receipt of the employee's request within 30 days with a copy to the Union. If the employee's request is approved, the Employer shall provide written notification to the employee with a copy to the Union. An employee may withdraw his/her request by written notice to the Corporate Employer.

3. If there is more than one employee eligible to exit under the TEI within the same workplace, the determination of who will exit under the TEI shall be based on seniority.
4. An employee who has received notice of Employer approval to exit under the TEI shall be deemed to have accepted one of the options as outlined in Paragraph 5.
5. An employee who exits from employment under the TEI will only be entitled to the following:

- i. A lump sum of six (6) months' pay, plus one (1) week pay per year of continuous service; or
  - ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 8, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue. Notwithstanding the above, the further salary continuance period shall not be greater than the length of time between the commencement of the salary continuance and the end of the month in which the employee will attain sixty-five (65) years of age. Any remaining balance will be paid forewith to the employee as a lump-sum.
  - iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).
6. In the event than an employee who exits the OPS under the TEI is reappointed to a position in the OPS within 24 months, the employee will repay to the Minister of Finance the six (6) month lump sum paid out under paragraph 5 above.
7. An employee who exits under the TEI and is reappointed to any position in the OPS may elect to repay the TEI payment of one-week per year of continuous service or its equivalent period of salary continuance, thereby restoring entitlement to termination payments under Article 45 (Termination Payments), as applicable, for the period of continuous service represented by the payment.
8. Where an employee is exiting under the TEI, his or her last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.
9. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee's exit under the TEI.
10. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 45 (Termination Payments) and Section 5 of Appendix A (Employment Stability) of the Collective Agreement.
11. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Human Resources and Skills Development Canada recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the Employment Insurance Act.

12. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit.
13. The parties recognize that the approval of exits from the Ontario Public Service under TEI is the exclusive right of the employer.
14. This MOA forms part of the collective agreement.
15. This Memorandum expires upon the expiry of the collective agreement.

## APPENDIX M: LETTERS

February 5, 2001

**Renewed: October 19, 2016**

Mr. John Gasbarri  
President, PEGO  
3199 Bathurst Street, Suite # 206  
Toronto, ON  
M7A 1N3

Dear Mr. Gasbarri,

### **Re: Dignity at Work**

This will confirm our discussion of the need for general education for members on the Workplace Discrimination and Harassment Prevention Policy (WDHP) and the Equal Opportunity Operating Policy. The intention of these policies is to promote fair employment practices and improve the work environment across the OPS while supporting the Ontario Human Rights Code.

Knowledge about the OPS policies will help members understand the scope of coverage and resolutions options already available to them. One of the areas covered under the application of the WDHP policy includes “discrimination or harassment in any aspect of employment” and gives examples such as hiring, recruitment, promotion, training, lay-off, termination and leaves of absences. Several key definitions in the policy describe the intent and scope of the policy. Discrimination “includes but is not limited to, unequal treatment on one or more of the prohibited grounds...” and “includes failure to provide appropriate employment accommodation in accordance with this policy and the Code.” Harassment is defined as a course of vexatious conduct or comment that is known or ought to be reasonably known to be unwelcome (e.g., abusive or belittling comments or graffiti, demeaning jokes, display of offensive materials). Where a single event appears to create a poisoned work environment, it is also considered a violation. The poisoned work environment refers to an infringement of everyone’s right to equal treatment with respect to employment which includes comments, behaviour or work environment that ridicules, belittles or degrades people or groups identified by one or more of the prohibited grounds. Poisoned work environment could result from a serious and single event, remark or action and need not even be directed at a particular individual. Additionally, employees are protected from malicious or bad faith allegations and from retaliation by another employee for exercising a right under the policy. One of the mandatory requirements of the policy is that employees must be educated about the processes, including their right to be accompanied by another person of their choice when attending a discussion related to this policy.

Management for their part, have the responsibility of creating and maintaining a workplace free of discrimination and harassment and are held accountable for implementing the policy. Management are directed not to condone any kind of discrimination and harassment and must act even if the behaviours fall outside the

Application and Scope of the WDHP policy. Their role includes supporting people who speak up when they think they or others are not being treated with dignity in the workplace. Some of the factors considered in resolution are: public embarrassment, damage to self-esteem, emotional health, ability to function effectively at work, use of complainant's vulnerability caused by personal/employment situation, personality or isolated locations. Alternate dispute resolution methods are provided for under the policy. MGS maintains a roster of ADR practitioners.

Samples of course outlines from SSB are attached for your information.

We agree that everyone should work together to preserve dignity at work and to prevent discrimination, harassment and a poisoned work environment.

Dear Mr. Gasbarri,

**Re: Engineering Development Program**

The Employer will provide the following information to PEGO:

- Whenever an employee is hired into the EDP, including the employee's name, start date, classification and initial work location;

Specifically, Ministries will provide the President of PEGO and the PEGO MERC Co-chair with copies of any appointment and assignment letters that are issued to EDP participants. In addition, Ministries will provide PEGO with a semi-annual report that lists the current work location and assignment of EDP participants, including start date and end date in that assignment, and date of completion in the EDP program.

Dear Mr. Gasbarri:

**Re: Joint Employee Relations Committee Training**

The Employer recognizes that Employee Relations Committees (ERCs) play an important role in the Ontario Public Service and provide a forum for resolving workplace issues that are not the subject of a grievance in a constructive and efficient way.

The parties agree to discuss the establishment of joint training for the PEGO Central Employee Relations Committee (PCERC) and for PEGO Ministry Employee Relations Committees (PMERC), to provide these committees with the tools to assist them in addressing and resolving workplace issues. The focus of the joint training would be the fundamentals of conflict management, which could include conflict resolution approaches and processes with an emphasis on problem-solving methodology, effective communication, and ERC best practices.

The parties agree to discuss the establishment of such joint training at the PCERC.

Dear Mr. Gasbarri:

**Re: Professional Matters**

The Employer recognizes that PEGO represented professional engineers have certain obligations to their professional regulatory body and the *Professional Engineers Act*. For example, the Professional Engineers Ontario Code of Ethics (Section 77 of the O. Reg. 941) states that professional engineers have a clearly defined duty to society, which is to regard the duty to public welfare as paramount, above their duties to clients or employer.

Furthermore, this is to confirm that PEGO represented employees may exercise their rights and obligations pursuant to Part VI (Disclosing and Investigation Wrongdoing) of the *Public Service of Ontario Act, 2006*

Dear Mr. Gasbarri:

**Re: Liability Coverage for PEGO Members**

I am writing to advise you of the liability coverage that exists for PEGO members working in their capacities as professional engineers employed by the Crown.

The Crown indemnifies PEGO represented employees for liability arising from the unintentional and/or negligent acts of these employees in the good-faith performance of their authorized job duties. It does not indemnify employees for intentional acts (e.g. intentional torts) that attract liability.

The Crown finances this indemnification through two layers of insurance, which together constitute its Protection Program. First, the Crown self-administers a program with a retention level of \$5 million. In addition to the \$5 million self-insured retention layer, the Protection Program includes a \$15 million excess insurance policy.

Professional engineers hired by and performing authorized professional-engineering work for the Crown are specifically captured under the Protection Program. The Protection Program affords similar coverage to the professional liability insurance that would normally be required of professionals working in the private sector.

In the event that PEGO-represented employees are named in a lawsuit against the Crown due to acts arising from the good-faith discharge of their authorized job duties, the Crown provides legal advice and representation in respect of those PEGO-represented employees as required.

Similarly, where PEGO-represented employees are named in a complaint before the Professional Engineers of Ontario due to acts arising from the good-faith discharge of their authorized job duties, the Crown provides legal advice and representation as required.

Should a PEGO-represented employee find himself/herself named in a claim or complaint of this nature, s/he should advise the Employer immediately and should provide all related legal documents to the Employer at once, highlighting the date on which s/he received the documents. The Employer would then contact the appropriate Legal Services Division, which would determine whether counsel is required. If assigned, counsel, whether Crown or Independent, would then review the file, and would provide legal advice and legal representation as required in the circumstances.
